The History of Roads

Around the Villages near to DonDaeng

from Interview to Village Master

in August, September 1983

前川

01 LupYaKha

road in the village

Widened in 1973 by villagers themselves.

road to high way

Widened in 1975 by the pay of government.

road to the neighbouring village

comment

old hiway (ThaPhra-Mahasalakham) was sand road until 1935 and had same width as now

02 NonTun

road in the village

Made in village established year, improved in 1972 (wider-higher) by villagers helping together when house near road moved away.

road to highway

Made in 1949, improved in 1972 (wider-higher) by KoSoCho budget region tax (฿60000).

road to the neighbouring village

to KhoKran : by villager from NonTun and KhoKran helped together.

03 LaoNokChum

road in the village

Original soil road was improved wider and higher in 1980 using money from KoSoCho Budget (฿83315). People who lived near the road moved away.

road to high way

Made in 1976 (฿30,000). Improved in 1980 (฿64,101), bidge build in 1981 (฿400,000). Since there was no road from NonKhao to highway, villagers had go to KK crossing Chi river and walked to KK (3 hours) or by bicycle (40-50 minutes).

road to the neighbouring village

Now ther is no road to other village around LaoNokChua except road to NonKhao.

04 SawangHankha

road in the village

Some of them made in established year. Improved in 1975 getting money from government to employ villagers to make road (higher-wider).

Others made in 1975 by government budget ฿30,000.

road to highway

This highway improved to be a highway when Sarid Tanarat was prime minister.

road to neighbouring village

Road to DonHan and DonDaeng started in Sarid Tanarat period. Money came from government to employ villagers and to make the road higher and wider.

05 MuangYai

road in the village

Made in 50 Y.B.P. Improved in 1975 (higher-wider) with KoSoCho budget \$20,000.

road to highway

road to neighbouring villages

To DonJamPaa: Made in 1968 and improved in 1976 (higher-wider) getting money from government and from villagers \$50,000.

To DonNoi: Made in 1973, budget about \$30,000 came from government and villagers improved it (higher-wider) cutting forest.

06 KhokKlang

road in the village

It was made in ChomPonPo RibunsongKham period, improved in 1986 by the money from villagers. And improved in 1970 by KoSoCho budget \$13,000, in 1971 KoSoCho budget \$36,000, 1981 KoSoCho budget \$39,000.

road to highway

road to the neighbouring villages

To NonTun: Made in 1968 money from villagers (\$17,000). Improved every year by the villagers.
